BB-EFC Missionary of the Week

Will and Julie White with Mission Aviation Fellowship in Nampa, Idaho, write that Will worked to get the Amphibian Kodiak (float plane) ready to fly and send to Indonesia and Julie worked to get the staff family there. They are so excited to work together and to represent us, their partners in ministry, to be a part of MAF's worldwide mission of bringing Jesus' love to unreached and marginalized people. They couldn't do this without our help, prayers and financial support.
