BB-EFC Missionary of the Week
Russ and Flossie Epley, with
T.E.A.M. in Tokyo, Japan, write that
they are thankful for Russ’ yet another
successful procedure to help his
heart work properly. He had a stent
put in another blocked artery. This
makes three hospitalizations in five
months. There were no scary incidents
this time and the surgery was
done during the time Flossie thought
Russ was being prepped for surgery
so she didn’t have time to worry.....
though she did pray.
