BB-EFC Missionary of the Week:
Randy and Jan Babcock with International Students in Ft. Collins, CO, writes that during the summer our schedule changes and new opportunities open up. Many of the international students are graduate students or visiting scholars, and they don't return to their home country during the summer. While they are here during the summer their schedule is often more relaxed, allowing them to come fishing, go on hikes or participate in other activities. Jan's women's English class continues in the summer. We are so grateful for you and your faithful and generous financial support!
