BB-EFC Missionary of the Week:

Ed & Jeanne Casteel with Ethnos360 writes that we have more exciting news to share with you. For some time the Wana people from the village of “Chosen Water” have been asking to be taught God’s Word. As excitement and momentum has been growing in the Wana churches a new evangelistic team has been formed and they are now just beginning this new outreach. One of the evangelists “Pa’a Handri” (Father of Handri) has this to say “There are 16 families who are signed up and very happy to begin studying. They told us there are actually more than that who want to study but those were the ones who have signed up so far. It is totally amazing what is happening in the Wana churches as this time as a fire has truly been sparked amongst them! Thanks so much for praying! God Bless!
