Food For Thought

How do you see the world? That is the question that we're going to tackle this month. There's a million ways you can look at the world, but the most important way to see the world is through God's eyes. That's why we're going to begin talking about developing a Biblical Worldview. Our worldview affects everything that we think, say, and do. Yet statistics say that very few of us actually understand what the Bible says and how to apply that to our life. I can't think of a better way to begin the year than discussing this very important topic.

Prayer Team - If you have a prayer request, our prayer team is ready to pray for you night or day. Just call the church office and we'll get the request out to our prayer team by email and the Phone Tree. If you would like to be a part of the Prayer Team, just let us know and we'll get your name added. James 5:16 The prayer of a righteous man is powerful and effective.

Pray for all of the teachers, students, and college students returning to classes this week.

Pray for our AWANA, Jr. High, and Sr. High ministries as they get ready to begin a new semester. Pray for the leaders that God would use them to touch the lives of the kids they come in contact with. Pray that the hearts of many would be opened to Christ as their personal savior.

Focus on Marriage Simulcast - Pray that many marriages would be strengthened through this marriage conference.
